

Clarke County Studio Tour

JUNE 27 AND 28, 2009 10:00 - 5:00

SPONSORED BY
The Barns Of Rose Hill
Opus Oaks, An Art Place, Inc.,
Berryville Main Street

REGISTRATION REQUIREMENTS

Registration fee for artists participating in the tour will be \$50.

Artists must have a studio/sales location in Clarke County.

Artists can invite other artists to share their studio space for the tour.

Artists' work can be for sale, commission, or for just "showing" purposes.

Each artist will have a mailing list sign-up sheet to collect addresses displayed in their studio during the tour (these will be used for future mailings).

Artists are required to mail out at least 50 brochures in order to advertise the tour.

Directional signs will be delivered to the participating studios prior to the tour. Artists are required to put out their signs on the tour days and return them to Opus Oaks after the tour.

Sales information should be shared in a respectful manner so that we (as a group) will be able to judge the success of the tour.

Insurance coverage for liability will be at the artist's expense. Check your policy and add ryder if necessary.

Deadline for submitting registration forms and payment is APRIL 1ST.

The sponsors will be responsible for advertising the tour. A program brochure with a map will be designed and printed for all artists to send out via their own mailing lists. Directional signs will be made for the tour so that we are uniform in the presentation of the tour. Visitors will be directed to pick up brochures at a central Berryville Main Street location to be determined. Any questions should be directed to the contact person.
